REGULATIONS 2023
CHOICE BASED CREDIT SYSTEM
Common to all B. E. / B. Tech. Full-Time Programmes

DEGREE OF BACHELOR OF ENGINEERING / BACHELOR OF TECHNOLOGY

This Regulation is applicable to the candidates admitted to B.E / B.Tech. Programmes at Gnanamani College of Technology from the academic year 2023-2024 onwards.

1. PRELIMINARY DEFINITIONS AND NOMENCLATURE

In these Regulations, unless the context otherwise requires:

- i. **"Programme"** means Degree Programme (i.e.) B.E. / B.Tech. Degree Programme.
- ii. **"Discipline"** means specialization or branch of B.E. / B.Tech. Degree Programme, like Mechanical Engineering and Information Technology, etc.
- iii. **"Course"** means a theory / theory cum practical / practical subject that is offered in a semester, like Basic Electrical Engineering, Programming for Problem Solving and Engineering Practice Laboratory, etc.
- iv. **"Controller of Examinations (CoE)"** means the authority of the Institution who is responsible for all examination related activities of the Institution.
- v. **"Head of the Institution"** means the Principal of the Institution and Chairman of the Academic Council.
- vi. **"Head of Department"** means the person who is heading a particular department.
- vii. **"University"** means the Affiliating University, i.e. Anna University, Chennai.
- viii. **"Institution"** means Gnanamani College of Technology, Namakkal, an Autonomous Institution affiliated to Anna University, Chennai and approved by AICTE, New Delhi.
- ix. **"Credit"** means the weightage given to each course to describe the candidate's workload required per week and it is used to compute the Grade Point Average and Cumulative Grade Point Average (CGPA) of the student.
- x. **"Grade"** means the letter grade assigned to each course based on the marks range specified.
- xi. **"Grade point"** means a numerical value (0 to 10) allocated based on the grade assigned to each course.
- xii. **"Department"** means the team of faculty members who are responsible for a program of study.

2. ADMISSION

2.1. First Semester Admission

The candidates seeking admission to the first semester of the eight semester B.E. / B.Tech. Degree Programme:

Should have passed the Higher Secondary Examination of (10 + 2) in the academic stream with Mathematics, Physics and Chemistry as three of the four subjects of study under Part-III subjects of the study conducted by the Government of Tamil Nadu or any examination of any other University or authority accepted by the Anna University, Chennai as equivalent thereto.

(OR)

Should have passed the Higher Secondary Examination of Vocational stream (Vocational groups in Engineering / Technology) as prescribed by the Government of Tamil Nadu. They should also satisfy other eligibility conditions as prescribed by the Anna University, Chennai and Directorate of Technical Education, Chennai from time to time.

2.2. Lateral Entry Admission

The candidates who hold a Diploma in Engineering / Technology awarded by the State Board of Technical Education, Tamil Nādu or its equivalent are eligible to apply for Lateral entry admission to the third semester of B.E. / B.Tech. as per the rules fixed by Government of Tamil Nadu.

(OR)

The candidates who hold a B.Sc. degree in science (10+2+3 stream) with mathematics as one of the subjects at the B.Sc. level from a recognized University are eligible to apply for Lateral entry admission to the third semester of B.E. / B.Tech. Such candidates shall undergo two additional Engineering course(s) in the third and fourth semesters as prescribed by the Institution. They should also satisfy other eligibility conditions prescribed by the Anna University, Chennai and Directorate of Technical Education, Chennai from time to time.

3. PROGRAMMES OFFERED

The following B.E. / B.Tech. (4 Years) degree programmes are offered by the Institution in the following branches of Engineering and Technology as given in the Table 1 below.

Table 1: Programs with Specialisation

S.No	Programme	Branch Code	Branch
1.	B.E.	ME	Mechanical Engineering
2.	B.E.	EE	Electrical and Electronics Engineering
3.	B.E.	EC	Electronics and Communication Engineering
4.	B.E.	CS	Computer Science and Engineering
5.	B.E.	BM	Biomedical Engineering
6.	B.Tech.	IT	Information Technology
7.	B.Tech.	CH	Chemical Engineering
8.	B.Tech.	BT	Biotechnology
9.	B.Tech.	FT	Food Technology
10.	B.Tech.	AD	Artificial Intelligence and Data Science
11.	B.Tech.	PY	Pharmaceutical Technology
12.	B.Tech.	AG	Agricultural Engineering

4. STRUCTURE OF PROGRAMMES

4.1. Categorisation of Courses

The B.E. / B.Tech. programme shall have a curriculum with syllabi comprising of Theory, Theory cum Practical, Practical courses, Employability Enhancement Courses, etc. that have been approved by the respective Board of Studies and Academic Council of the Institution. All the programmes have well defined Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Programme Educational Objectives (PEOs) as per Outcome Based Education (OBE). The content of each course is designed based on the Course Outcomes (COs). The courses shall be categorized as follows:

- i. **Humanities, Social Sciences and Management Courses (HS)**
- ii. **Basic Science (BS) Courses**
- iii. **Engineering Science (ES) Courses**
- iv. **Professional Core (PC) Courses**
- v. **Professional Elective (PE) Courses** relevant to the chosen specialization/ branch offered under verticals (Specialization Groups)
- vi. **Open Elective (OE) Courses**
- vii. **Employability Enhancement Courses (EC)** like Interpersonal & Employment Skill, Communication Skills Lab, Computing skill Lab, Project work, Industrial Training, Comprehensive Test & Viva, Entrepreneurships / Start-ups and Internship / In-plant Training in Industry or elsewhere
- viii. **Mandatory Courses (MC)** like Universal Human Values, Yoga and Values for Holistic Development.
- ix. **Employability Enhancement Skill Based Courses** - Skill based experiential learning courses will be offered in two categories as purely Laboratory Based Courses and Theory Integrated Laboratory Courses.

4.2. Personality and Character Development

All students shall enroll, on admission, in any one of the personality and character development programmes NSS / NSO / YRC and undergo training / conduct activities for about 80 hours and attend a camp of about seven days. The training shall include classes on hygiene and health awareness and also training in first-aid. Alternately, activities of science, literature and arts also help for personality and character development. So, students shall conduct and participate actively in science club / Literary Forum / Fine Arts activities for 80 hours and participate in at least ONE event.

- i. **National Service Scheme (NSS)** will have social service activities in and around the Institution.
- ii. **National Sports Organization (NSO)** will have Sports, Games, Drills and Physical exercises.
- iii. **Youth Red Cross (YRC)** will have activities related to social services in and around the Institution.
While the training activities will normally be during weekends, the camp will normally be during vacation period.
- iv. **Science Club** shall organise activities of popularisation of science and scientific temper through activities related to astronomy, works of great scientists from India and abroad, observing National Science Day, etc.
- v. **Literary Club** like 'Tamil Ilakkiya Mandram' shall be formed, which shall organise colorful literary events to propagate good humanist values, morals and ethics reflected in the literature.
- vi. **Fine Arts Club** like music, painting and documentary films with social themes shall be encouraged.

Students who enroll and take active participation in anyone of the above activities for **80 hours** and participate at least one event / programme will be given a certificate by the Head of the Institution and the copy of the same shall be forwarded to the Controller of Examinations for the purpose of record and scrutiny.

4.3. Mandatory Two Weeks Induction Programme

The students are expected to undergo two weeks induction programme related to creative arts, Universal Human Values, Lectures by eminent people, visits to local areas and familiarization of departments immediately after admission.

Induction Programme is mandatory for the students pursuing the Undergraduate Programme.

List of students who have successfully completed the Induction Programme shall be certified by the Head of the Institution.

Principal

Gnanamani College of Technology
NH-7, A.K.Samuthiram, Pachal Post
Namakkal Dist. - 637018. Tamilnadu

The completion of the Induction Programme shall be printed in the Grade Sheet as "Completed"

In the case of students who have got admitted later and those who have not attended the Induction Programme at the time of joining the degree programme, it shall be conducted later and on completion, it shall be recorded in the grade sheet.

No fee will be charged towards the conduct of the Induction Programme and for including in the Statement of Grades for the successful completion of the Induction Programme

4.4. Number of Courses per Semester

The curriculum of each semester curriculum shall normally be a blend of theory courses not exceeding 7 Theory courses and Laboratory integrated theory courses and 4 Employability Enhancement Course(s) and Laboratory Courses. However, the total number of courses per semester shall not exceed 10. Each Course shall have credits assigned as per clause 4.5.

4.5. Credit Assignment

Each course is assigned certain number of credits as given in the Table 2:

Table 2: Credit assigned for each course

Contact period per week	Credits
1 Lecture Period	1
1 Tutorial Period	1
1 Laboratory Period (also for EC courses like Seminar / Project Work / Case study / etc.)	0.5

4.6. Employability Enhancement Courses

A candidate shall be offered with the employability enhancement courses like Project work, Internships, Professional Development trainings (Interpersonal & Employment Skill, Communication Skills Lab, Fundamentals of Computing Lab, etc.), Industrial Training, Internships Comprehensive Test & Viva during the programme to gain / exhibit the knowledge / skills as given in Table 3.

Table 3: Employability Enhancement Courses

S.No	Course Name	Semester	Credit
1	Basic Computing Laboratory	1	1
2	Communication Skills Laboratory I	1	1
3	Communication Skills Laboratory II	2	1
4	Interpersonal & Employment Skill - I	3	1
5	Internship I (III or IV Sem)	5	1
6	Interpersonal & Employment Skill - II	6	1
7	Internship II (V or VI Sem)	7	1
8	Comprehensive Test and Viva Voce	7	1
9	Project Work	8	10

4.6.1. Communication Skills, Computing Skills and Interpersonal & Employment Skill Courses

A candidate may be offered with appropriate training courses imparting Basic Computing skills, Communication skills, Interpersonal & Employment Skill (Problem solving skills, Aptitude skills) etc. It is offered in different phases from 1st Semester onwards.

4.6.2. Industrial Training / Internship

The students shall undergo Internship / Industrial training during the summer / winter vacation with prior approval from the Head of the Institution. In this case, the training has to be undergone by the students for at least continuous two weeks in an organization and credits shall be awarded as prescribed in the curriculum. Students are permitted to undergo internship in Industry / University / Research organization.

4.6.3. Comprehensive Test and Viva

The overall knowledge of the candidate in various courses he / she studied shall be evaluated by

- Conducting comprehensive tests with multiple choice questions generally with pattern similar to GATE and / or
- Viva-voce examination conducted by a panel of experts assigned by the Head of the department. The members can examine the knowledge of the candidate by asking questions from various domains and the marks will be assigned based on their answers. This course shall carry one credit.

4.6.4. Project Work

The student shall carry out for Project Work in final semester as indicated in the curriculum in the Department / Industries in consultation with the concern Head of the Department and the Faculty supervisor. Project work may be allotted to a single student or to a group of students not exceeding 4 per group.

In the case of Student doing project in industries / other academic and research institutions outside of the Department, the project work shall be jointly supervised by a supervisor of the department and an expert from the organization as a joint supervisor and the student shall be instructed to meet the supervisor periodically and to attend the review committee meetings for evaluating the progress. The review meetings, if necessary, may also be arranged in online mode with prior approval from the Head of the Institution and suitable record of the meetings shall be maintained.

4.6.5. Industrial Visit

Every student is required to go for at least one Industrial Visit every semester starting from the second year of the Programme. The Heads of Departments shall ensure that necessary arrangements are made in this regard.

4.7. Two / Three Credit Employability Enhancement Skill Based Courses

Skill based experiential learning courses will be offered in two categories as purely Laboratory Based Courses and Theory Integrated Laboratory Courses with the following credits (Table 4). One such course will be offered in every semester from V to VII. Suitable courses be offered after due approval of respective Board of Studies.

Table 4: Credit Distribution

Category	L	T	P	C
Laboratory Courses	0	0	4	2
	0	0	2	1
Theory integrated Laboratory Course	1	0	2	2

A student may accumulate up to 6 credits through such courses, and such credits will be considered in lieu of the Professional Elective and/or Open Elective courses.

These courses may be offered with the support of the identified firms/companies and with one course coordinator per course and a mentor from the firm.

Procedure to drop Professional Elective / Open Elective course(s) and computation of Grade point:

A student may accumulate up to 6 credits through such courses, and such credits will be considered in lieu of the Professional Elective and/or Open Elective courses. In this regard, a student is permitted to

drop either 1 or 2 Professional Elective /Open Elective course(s) as per the procedure given below in the Table 5.

Table 5: Procedure to drop Professional Elective / Open Elective course(s)

No. of courses	Total No. of credits earned	Courses to be Printed in the grade sheet	No. of Professional elective/ open elective can be dropped	No. of credits considered for GPA/CGPA calculation
1	2	1	-	-
2	4	2	1	3
3	6	3	2	6

- The credits earned by the student of the successfully completed Skill Based Courses shall be recorded in the grade sheet.
- If a student has not successfully completed the skill-based courses during the semesters V, VI and VII, then the same shall not be recorded in the grade sheet.
- If a student earns 2 credits in Semester V and then enrolls for another 2 credits in Semester VI, then he / she is permitted to drop one Professional elective/ open elective course in Semester VI. Further, if the student earns 4 credits upto Semester VI and enrolls for another 2 credits in Semester VII, then he/she is permitted to drop an additional professional elective/open elective course in the VII semester.

If the student has enrolled for skill based courses but has not successfully earned 4 or 6 credits and also dropped 1 or 2 PE/OE courses in anticipation of pass, then he/she has to enroll the PE/OE (as the case may be) to meet the total credit requirements to earn the degree.

Method for computation of Grade point of dropped PE / OE courses

The method of Computation of Grade point for the dropped PE/OE courses is given below:

1. If a student has successfully completed two Skill Based Courses, then the computation of Grade point for one PE/OE course dropped in lieu of those two skill based courses is as follows.

Grade point = (2 credits * higher grade point obtained + 1 credit * lower grade point obtained) / 3 credits.

For example, for two courses of two credit each, if the grades obtained are,

Course 1– C grade – 5 points;

Course 2– O grade – 10 points

Then, the grade point of the dropped course for the calculation of CGPA is obtained as: $(1 \times 5 + 2 \times 10) / 3 = 8.33$.

One PE/OE course shall be dropped for 3 credits with grade point computed as above.

2. If a student has successfully completed three Skill Based Courses, then the computation of Grade point for dropping two PE/OE in lieu of those three skill-based courses is as follows.

For three courses of two credit each

Computation of Grade point of each of the two dropped PE/OE courses for the calculation of CGPA = Average grade point of three skill-based courses.

Two PE/OE courses shall be dropped of 3 credits each, with grade point computed as above.

4.8. Value Added Courses

To obtain practical and industry specific knowledge students may undergo Value Added Courses (VAC) over and above the topics covered in the curriculum. It will be recorded in the Grade Sheet, however the same shall not be considered for the computation of CGPA. Suitable courses be offered after due approval of respective Board of Studies.

The courses offered via Clause 4.7 and 4.8, the details of the syllabus, time table and faculty may be approved by the Head of the Institution and Students shall be allowed to take the courses offered in other Departments also but with the prior permission from the Head of the Institution.

4.9. Off campus courses and Transfer of Credits

Students are permitted to optionally enroll and study a maximum of three off campus courses in physical/online/hybrid mode under each UG programme with the approval of respective Board of Studies as per the Regulations. The successful completion of these courses through any of the following modes shall be considered in lieu of professional elective / open elective courses of curriculum as approved by the Head of the Institution.

- 4.9.1. Students are permitted to optionally enroll and study these courses through SWAYAM - NPTEL platforms and credit transfer is to be done based on the marks and certificate provided by the NPTEL. The number of credits and transfer of credits are based on the procedure explained in Table 6 and the Mapping of the marks with the grades is explained in Table 7. The mapping of marks with grades is applicable, only if the student passes the course as per the guidelines of NPTEL.

Table 6: Duration of the course and Number of credits

S. No.	No. of Weeks	No. of Credits
1	4	1
2	8	2
3	12	3
4	16	4

Table 7: Mapping of Marks scored in NPTEL course and Credits earned

Letter Grade	Marks
O	90-100
A+	80-89
A	70-79
B+	60-69
B	50-59
C	40-49

- 4.9.2. Students are permitted to optionally enroll and study the courses in physical / hybrid/ online modes offered by reputed Central / State funded Universities / Institutions which are in the top 20 positions in the latest NIRF ranking and also conducting examination towards award of marks and grades. (NIRF Ranking of any of the last three years with respect to the year in which course is to be registered; NIRF ranking is based on respective stream for professional elective courses and based on any stream for open elective courses).

Students are also permitted to enroll and undergo such courses in online mode at Universities abroad in top 500 in QS ranking in the last three years.

Students are also permitted to study courses of a particular semester in a University / Institution abroad based on MoU. A learning agreement shall be evolved to map all the courses offered in the programme and the courses offered in University abroad as per the procedure outlined by the Centre for Academic Courses. The credits earned by the students in the University abroad shall be transferred as per the learning agreement.

In the case of 4.9.2, the students can enroll for the courses with the approval of the Head of the institution only if the course is offered directly by Institution/University and not with the edutech platforms.

The marks/credits earned by the student shall be transferred based on the decision of a committee constituted by the Head of the Institution.

Principal

Gnanamani College of Technology
NH-7, A.K.Samuthiriam, Pachal Post
Namakkal Dist. - 637018. Tamilnadu

4.9.3. Students are also permitted to enroll and study the courses in physical/hybrid mode (not less than 50% in physical mode) that are offered by

- (i) National/State funded research institutions/laboratories and
- (ii) (a) Reputed companies (manufacturing or software) related to the programme, and
(b) Reputed companies involved in transfer of knowledge provided the knowledge transferring company is a spinoff from an Engineering/Technology practicing Industry and sharing the work experience of the respective industry.

The companies mentioned in 4.9.3 (ii) (a) and the company with which the knowledge transfer company associated in the case of 4.9.3 (ii) (b) should have average annual turnover of more than 200 crores over a period of 5 years. However, the academic content and delivery shall be in consonance with academic standards and norms.

The minimum qualification of the course instructor from the company as mentioned in 4.9.3. (ii) shall be B.E./B.Tech with 10 years of research / industrial experience. Such courses shall be offered through MOU / MOA between the Institution and such institutions/organizations/companies. The design of the courses with regard to the syllabus content, duration of each course and number of credits offered for each course shall be discussed and recommended by the Head of the Institution and approved by the respective Board of Studies as per the Regulations.

For the offer of each course under 4.9.3, a course coordinator shall be nominated from the Department who shall also attend such course and shall coordinate the question paper setting and answer script evaluation with the course instructor from Research Institution / Laboratories / Industry/ Company for the continuous assessment and end semester examination conducted by the Institution. The passing requirements are as per regulations.

The Certificates of completion of courses and List of courses to be waived shall be forwarded to the COE with due approval of the Head of the Institution at the beginning of each semester.

It shall be ensured that the student has not studied such courses and would not repeat it again as Professional Core / Professional Elective / Open Elective courses.

4.10. Mandatory Courses

The student shall undergo mandatory courses as mentioned in the curriculum. No credits are assigned to mandatory courses. It will be mentioned in the Grade Sheet, however, it will not be considered for computation of CGPA (Table 8).

Table 8: List of Mandatory Courses

S.No	Subject Name	Semester	Credit
1	Induction Programme	1	0
2	Mandatory Course – I	3	0
3	Mandatory Course – II	4	0

4.11. B.E. / B. Tech. (Hons) and B.E. / B. Tech. minor with specialisation in another discipline.

(i) B.E / B.Tech. (Hons.)

- a) The students should have taken additional courses from a specified group of Professional Electives (vertical) or from any of the verticals of the same programme and earned a minimum of 18 credits.
- b) Should have passed all the courses prescribed in the curriculum and additional courses in the first attempt.
- c) Should have earned a minimum of 7.50 CGPA taking into account of all the courses prescribed in the curriculum and additional courses.

(ii) B.E./B.Tech. Minor with specialization in another discipline

The student should have earned additionally a minimum of 18 credits in any one of the verticals offered from Engineering Disciplines / Science and Humanities /Management

1. For these 18 credits students can optionally enroll and study a maximum of 6 credits in online mode from SWAYAM-NPTEL platform (in addition to the three online courses permitted for courses of curriculum), as approved by the Academic Council of the Institution.
2. B.E / B.Tech. (Hons.) and B.E./B.Tech. minor with specialisation in another discipline will be optional for students and the students shall be permitted to select any one of them only.
3. For the categories 4.11.1, the students, including Lateral Entry, shall be permitted to register for the courses from Semester V onwards provided the students have earned a minimum CGPA of 7.50 until Semester III and have cleared all the courses in the first attempt.
4. For the category 4.11.2, the students, including Lateral Entry, will be permitted to register the courses from Semester V onwards provided the marks earned by the students until Semester III is CGPA 7.50 and above.
5. B.E/B.Tech. (Hons.) or B.E./ B.Tech. Minor shall be offered by the Department irrespective of the number of students enrolled.
6. If a student decides not to opt for Honours, after completing certain number of additional courses, such additional courses studied shall be considered instead of the Professional Elective courses which are part of the curriculum.

If the student has studied more number of such courses than the number of Professional Elective courses required as per the curriculum, the courses with higher grades shall be considered for the calculation of CGPA. Remaining courses shall be printed in the grade sheet however, they will not be considered for calculation of CGPA and the same shall be indicated in a foot note appropriately.

If the student has failed in the additional courses or faced shortage of attendance, they will not be printed in the grade sheet and will not be considered for CGPA calculation and classification of degree.

7. If a student decides not to opt for Minor, after completing certain number of courses, the additional courses studied shall be considered instead of Open Elective courses which are part of the curriculum.

If the student has studied more number of such courses than the number of open electives required as per the curriculum, the courses with higher grades shall be considered for calculation of CGPA. Remaining courses shall be printed in the grade sheet; however, they will not be considered for calculation of CGPA and the same shall be indicated in a foot note appropriately.

If the student has failed in the additional courses or faced shortage of attendance, they will not be printed in the grade sheet and will not be considered for CGPA calculation and classification of degree.

The student has to enroll for these additional courses separately and pay a tuition fee for studying these six additional courses and pay additional exam fee.

4.12. Medium of Instruction

The medium of instruction is English for all courses, examinations, Seminar presentations and Project Work reports except for the programmes offered in Tamil Medium.

Gnanamani College of Technology
NH-7, A.K.Samuthiram, Pachal Post
Namakkal Dist. - 637018, Tamilnadu

5. DURATION OF THE PROGRAMME

- 5.1. A student is ordinarily expected to complete the B.E. / B.Tech. Programme in 8 semesters (for HSC students) and six semesters (for Lateral Entry students) but in any case, not more than 14 Semesters for HSC (or equivalent) students and not more than 12 semesters for Lateral Entry students.
- 5.2. Each semester shall normally consist of 75 working days or 540 periods of 50 minutes each. The Head of the Institution shall ensure that every teacher imparts instruction as per the number of periods specified in the syllabus and that the teacher teaches the full content of the specified syllabus for the course being taught.
- 5.3. The Head of the Institution may conduct additional classes for improvement, special coaching, conduct of model test etc., over and above the specified periods. But for the purpose of calculation of attendance requirement for writing the end semester examinations (as per clause 6) by the students, following method shall be used.

$$\text{Percentage of Attendance} = \frac{\text{Total no. of periods attended in all the courses per semester}}{(\text{No. of periods / week as prescribed in the curriculum}) \times 15} \times 100$$

taken together for all courses of the semester

The end semester Examination will normally follow immediately after the last working day of the semester as per the academic schedule prescribed from time to time.

- 5.4. The total period for completion of the programme reckoned from the commencement of the first semester to which the student was admitted shall not exceed the maximum period specified in clause 5.1 irrespective of the period of break of study (vide clause 18) in order that he / she may be eligible for the award of the degree (vide clause 16).

6. COURSE REGISTRATION

- 6.1. Each student must register for all courses to be taken in a given semester's curriculum (with the option of dropping up to 6 credits) (vide clause 6.2). Courses dropped in previous semesters can be registered in subsequent semesters when they are offered. The student's registration information must be approved by the Head of the Institution and forwarded to the Controller of Examinations. This registration includes both the course registration and its End Semester Exams.

The courses that a student registers in a particular semester may include

- (i) Courses of the current semester.
- (ii) Courses dropped in the lower semesters

The maximum number of credits that can be registered in a semester is 36. However, this does not include the number of Re-appearance (U) and Withdrawal (WD) courses registered by the student for the appearance of Examination.

6.2. Flexibility to Add or Drop Courses

- 6.2.1. A student has to earn the total number of credits specified in the curriculum of the respective Programme of study in order to be eligible to obtain the degree.
- 6.2.2. From the second to final semesters, the student has the option of dropping existing courses in a semester during registration. Total number of credits of such courses shall not exceed 6 per semester. The student is permitted to drop the course(s) within 30 days of the commencement of the academic schedule.
- 6.2.3. From the V to VIII semesters, the student has the option of registering for additional courses in a semester. With regard to enrolling for B.E. / B. Tech. (Hons) or B.E. / B. Tech. Minor

The total number of credits that a student can add in a semester is limited to 6, subject to a maximum of 2 courses. Maximum number of credits enrolled in a semester (Honours and Minor) shall not exceed 36. The online courses registered for B.E. / B. Tech. (Hons.) and B.E. / B. Tech. minor shall be over and above this 36 credits.

6.3. Choice of Professional Elective Courses

The professional Elective Courses are listed in the Curriculum in Table format as verticals (Specialisation groups). A student can choose all the Professional Elective Courses either from one of the verticals or a combination of courses from all verticals in a semester. However, students irrespective of enrolling for additional courses for B.E. / B. Tech. (Hons.) are not permitted to choose more than one course from a row. Students are permitted to enroll more than one elective course from the same vertical in a semester. In the subsequent semesters students are permitted to enroll one more course in a row, provided if he/she has cleared the earlier course of the same row. For a professional elective course and open elective course, minimum number of students enrolment permitted shall be 10. However, the minimum number is not applicable for students enrolling B.E. / B. Tech. (Hons) and B.E. / B. Tech. Minor. For the offer of each professional elective at least two choices shall be offered.

7. REQUIREMENTS OF ATTENDANCE AND PROGRESS FOR COMPLETION OF THE SEMESTER

A student who has fulfilled the following conditions shall be deemed to have satisfied the requirements for completion of a semester.

- 7.1. Ideally every student is expected to attend all classes of all the courses and secure 100% attendance. However, in order to give provision for certain unavoidable reasons such as medical / participation in sports, the student is expected to attend at least 75% of the classes. Therefore, he / she shall secure not less than 75% (after rounding off to the nearest integer) of overall attendance as calculated as per clause 5.3.
- 7.2. However, a student who secures overall attendance between 65% and 74% in the current semester due to medical reasons (prolonged hospitalization / accident / specific illness) / participation in sports events may be permitted to appear for the current semester examinations, subject to the condition that the student shall submit the medical certificate / sports participation certificate attested by the Head of the Institution. The same shall be forwarded to the Controller of Examinations for record purposes.
- 7.3. Students who secure less than 65% overall attendance shall not be permitted to write the End Semester Examination at the end of the semester and not permitted to move to the next semester. They are required to repeat the incomplete semester in the next academic year, as per the norms prescribed.
- 7.4. Candidate's progress is satisfactory.
- 7.5. Candidate's conduct is satisfactory and he / she was not involved in any in-disciplined activities in the current semester.
- 7.6. Candidates who do not qualify to appear for end semester examinations of any semester for want of attendance and / or progress and / or character and conduct have to register for and repeat that semester at the next available opportunity subject to the approval of Directorate of Technical Education, Tamil Nadu and Anna University Chennai.
- 7.7. The re-admitted candidates have to follow the curriculum and syllabus as existing at the time of re-admission. The re-admission committee consisting of Head of the Department and Two senior faculty members will decide the courses that he / she has to undergo in the new curriculum considering the equivalent courses that he / she has gone through in the old curriculum, so as to bridge the curriculum in-force and the old curriculum. The courses recommended by the committee and approved by the BoS shall be taken under a faculty mentor and appear for the examination as specified by the Institution.

8. CLASS ADVISOR

There shall be a class advisor for each class. The class advisor will be one among the course-instructors of the class. He / She will be appointed by the HOD of the department concerned. The class advisor is the ex-officio member and the Convener of the class committee. The responsibilities for the class advisor shall be:

- 8.1. To act as the channel of communication between the HoD and the students of the respective class.
- 8.2. To collect and maintain various statistical details of students.
- 8.3. If necessary, the class advisor may also discuss with or inform to the parents about the progress of the students through the Head of the Department concerned.

Principal

Gnanamani College of Technology
NH-7, A.K.Samuthiram, Pachal Post
Namakkal Dist. - 637018. Tamilnadu

- 8.4. To help the chairperson of the class committee in planning and conduct of the class committee meetings.
- 8.5. To monitor the academic performance of the students including attendance and to inform the class committee.
- 8.6. To attend to the students' welfare activities like awards, medals, scholarships and industrial visits.

9. CLASS COMMITTEE

- 9.1. Every class shall have a class committee consisting of teachers of the class concerned, student representatives and a chairperson, who is not teaching the class. It is like the 'Quality Circle' (more commonly used in industries) with the overall goal of improving the teaching- learning process. The functions of the class committee include:
 - Solving problems experienced by students in the class room and in the laboratories.
 - Clarifying the regulations of the degree programme and the details of rules therein particularly (clause 5 and 7).
 - Informing the student representatives, the academic schedule including the dates of assessments and the syllabus coverage for each assessment.
 - Informing the student representatives, the details of Regulations and weightage used for each assessment. In the case of practical courses (laboratory / drawing / project work / seminar etc.) the breakup of marks for each experiment / exercise / module of work, should be clearly discussed in the class committee meeting and informed to the students.
 - Analyzing the performance of the students of the class after each test and finding the ways and means of solving problems, if any.
 - Identifying the slow-learners, if any, and requesting the teachers concerned to provide some additional help or guidance or coaching to such students.
- 9.2. The class committee for a class under a particular branch is normally constituted by the Head of the Department. However, if the students of different branches are mixed in a class (like the first semester which is generally common to all branches), the class committee is to be constituted by the Head of the Institution.
- 9.3. The class committee shall be constituted within the first week of each semester.
- 9.4. At least 4 student representatives (usually 2 boys and 2 girls) shall be included in the class committee, covering all the elective courses.
- 9.5. The chairperson of the class committee may invite the class adviser(s) and the Head of the Department to the class committee meeting.
- 9.6. The Head of the Institution may participate in any class committee meeting of the institution.
- 9.7. The chairperson is required to prepare the minutes of every meeting, submit the same to the Head of the Institution within two days of the meeting and arrange to circulate it among the students and teachers concerned. If there are some points in the minutes requiring action by the management, the same shall be brought to the notice of the Management by the Head of the Institution.
- 9.8. The first meeting of the class committee shall be held within one week from the date of commencement of the semester, in order to inform the students about the nature and weightage of assessments within the framework of the Regulations. Two or three subsequent meetings may be held in a semester at suitable intervals. The Class Committee Chairperson shall display the cumulative attendance particulars of each student on the Notice Board at the end of every such meeting to enable the students to know their attendance details to satisfy the clause 7 of this Regulation. During these meetings the student members representing the entire class, shall meaningfully interact and express the opinions and suggestions of the other students of the class in order to improve the effectiveness of the teaching-learning process.

10. COURSE COMMITTEE FOR COMMON COURSES

Each common theory course offered to more than one discipline or group, shall have a "Course Committee" comprising all the teachers teaching the common course with one of them nominated as the course coordinator. The nomination of the course coordinator shall be made by the Head of the Department / Head of the Institution depending upon whether all the teachers teaching the common course belong to a single department or to several departments. The 'Course Committee' shall meet in order to arrive at a common scheme of evaluation for the test and shall ensure a uniform evaluation of the tests. Wherever feasible, the Course Committee may also prepare a common question paper for the Continuous Assessment Test (s).

11. SYSTEM OF EXAMINATION

- 11.1.** Performance in each course of study shall be evaluated based on
- Continuous Assessments (CA) throughout the semester and
 - End Semester Examination (ESE) at the end of the semester except for the courses which are evaluated based on continuous assessment only.

Each course shall be evaluated for a maximum of 100 marks as shown below:

S. No.	Category of Course	Continuous Assessment Marks	End Semester Examination Marks
1.	Theory	40	60
2.	Theory cum Practical / Practical cum Theory (The distribution of marks shall be decided based on the credit weightage assigned to theory and practical components)	50	50
3.	Practical	60	40
4.	Project Work	60	40
5.	Communication skill courses, Computing skill courses, Interpersonal & Employment Skill courses, Comprehensive Test & Viva, Mandatory Courses and Internship / Summer Training	100	-
6.	Two / Three credit Employability Enhancement Skill Based Courses	The distribution of marks shall be decided based on the credit weightage assigned	
7.	All other Courses		

- 11.2.** The End Semester Examination (theory and practical) of 3 hours duration shall ordinarily be conducted between October and December during the odd semesters and between April and June during the even semesters.
- 11.3.** The End Semester Examination for Project Work shall consist of evaluation of the final report submitted by the student or students of the project group (of not exceeding 4 students) by an external examiner and an internal examiner, followed by a viva-voce examination conducted separately for each student by a committee consisting of the external examiner, the supervisor of the project group and an internal examiner.
- 11.4.** For the End Semester Examination of practical courses including Project Work, the internal and external examiners shall be appointed by the Controller of Examinations.

12. PROCEDURE FOR AWARDING MARKS FOR CONTINUOUS ASSESSMENT

For all theory, laboratory courses, theory courses with laboratory component and project work the continuous assessment shall be awarded as per the procedure given below:

Principal

Gnanamani College of Technology
NH-7, A.K.Samuthiram, Pachal Post
Namakkal Dist. - 637018. Tamilnadu

12.1. Theory Courses

A minimum of two Continuous Assessments will be conducted as a part of continuous assessment. Each Continuous Assessment is to be conducted for 100 marks and will have to be distributed in two parts viz., Individual Assignment / Case study / Seminar/ Mini Project / any other Experiential Learning and Test with each having a weightage of 40% and 60% respectively. The total Continuous Assessment marks of 200 shall be converted into a maximum of 40 marks and rounded to the nearest integer. The tests shall be in written mode.

The scheme of assessment is represented in the table given below.

Assessment I (100 Marks)		Assessment II (100 Marks)		Total Continuous Assessment
Individual Assignment / Case Study / Seminar / Mini Project / Any other Experiential Learning	Written Test	Individual Assignment / Case Study / Seminar / Mini Project / Any other Experiential Learning	Written Test	
40	60	40	60	200*

*The weighted average shall be converted into 40 marks for Continuous Assessment.

12.2. Laboratory Courses

The maximum marks for Continuous Assessment shall be 60 marks in case of practical courses. Every practical exercise / experiment shall be evaluated based on conduct of experiment / exercise and records to be maintained. There shall be at least one test. The criteria for arriving at the Continuous Assessment marks of 60 is as follows: 75 marks shall be awarded for successful completion of all the prescribed experiments done in the Laboratory and 25 marks for the test. The total mark shall be converted into a maximum of 60 marks and rounded to the nearest integer.

Continuous Assessment (100 Marks) *	
Evaluation of Laboratory Observation, Record	Test
75	25

* Continuous Assessment marks shall be converted into 60 marks

12.3. Theory Courses with Laboratory Component / Laboratory Courses with Theory Component

If there is a Theory Course with a Laboratory component or a Laboratory Course with a Theory component, there shall be separate assessments: Theory Component (maximum marks: 100) will follow the same pattern as a regular theory course assessment, and the Laboratory Component (maximum marks: 100) will follow the same pattern as a regular laboratory course assessment. Each component will carry a weightage of 50%. The weighted average of the two assessments shall be calculated, converted to a scale of 50 marks, and rounded to the nearest integer.

Theory Component (50% weightage)		Laboratory Component (50% weightage)		Total (Continuous Assessment)
Individual Assignment / Case Study / Seminar / Mini Project / Any other Experiential Learning	Written Test	Evaluation of Laboratory Observation, Record	Test	
40	60	75	25	200*

*The weighted average shall be converted into 50 marks for Continuous Assessment.

The distribution of marks for the theory and laboratory components in the Continuous Assessments and end semester examination for different types of courses are provided in the table

L	T	P	C	Internal Assessment I	Internal Assessment II	End Semester Examination
1	0	4	3	Lab (25%)	Theory (25 %)	Lab only (50 %)
1	0	2	2	Lab (25%)	Theory (25 %)	Lab only (50 %)
2	0	2	3	Theory (25 %)	Lab (25%)	Theory (25 %) Lab (25 %)
3	0	2	4	Theory (25 %)	Lab (25%)	Theory (35 %) Lab (15 %)
2	0	4	4	Theory (25 %)	Lab (25%)	Theory (15 %) Lab (35 %)

The Seminar / Case Study / Mini Project/ Any other Experimental Learning course is to be considered as purely INTERNAL (with 100% internal marks only). Every student is expected to present a minimum of 2 seminars per semester before the evaluation committee and for each seminar, marks can be equally apportioned. The three-member committee appointed by the Head of the Institution, consisting of the course coordinator and two experts from the Department, will evaluate the seminar and at the end of the semester, the marks shall be consolidated and taken as one of the components in Continuous Assessment. The evaluation shall be based on the seminar paper (40%), presentation (40%) and response to the questions asked during presentation (20%).

12.4. Project Work

- 12.4.1. There shall be three reviews conducted by the review committee constituted by Head of the Institution to monitor the progress of the project work. The student shall make presentation on the progress made by him / her before the committee. The total marks obtained in the three reviews shall be reduced for 60 marks and rounded to the nearest integer (as per the scheme given in 12.4.2)
- 12.4.2. The project report shall carry a maximum of 10 marks. The project report shall be submitted as per the guidelines provided by the Institution. Same marks shall be awarded to every student within the project group for the project report. The viva-voce examination shall carry 30 marks. Marks are awarded to each student of the project group is based on the individual performance in the viva- voce examination.

Review I	Review II	Review III	End Semester Examinations			
			Project Report	Viva-Voce Examination		
20	20	20	External	Internal	External	Supervisor
			10	10	10	10

- 12.4.3. The Head of the Institution shall constitute a review committee for Project Work for each programme. The review committee consists of supervisor, an expert from the Department and a project coordinator from the Department. If the project coordinator / expert member happens to be the supervisor, then an alternate member shall be nominated. In the case of Industrial Project, the review committee shall have the supervisor, the coordinator from industry and the project coordinator from the Department.
- 12.4.4. The project report shall carry a maximum of 10 marks. The project report shall be submitted as per the approved guidelines as given by the Director, Centre for Academic Courses. Same marks shall be awarded to every student within the project group for the project report. The viva-voce examination shall carry 30 marks. Marks awarded to each student of the project group is based on the individual performance in the viva-voce examination.
- 12.4.5. The last date for submission of the project report is on the last working day of the semester. If a student fails to submit the project report on or before the specified deadline or the student has

submitted the project report but did not appear for the viva-voce examination, it will be considered as fail in the Project Work and the student shall re-register for the same in the subsequent semester.

- 12.4.6. Students shall also undertake a start-up activity for the development of products as part of project work. If the outcome of a start-up is a fully developed product and whose concept is tested and validated, then it shall be considered in lieu of the project work. Such students shall submit a start-up report, which includes the concepts and process flow of the developed product, publications and patents, if any. The evaluation of the start-up report is as per the clause 12.5.2.

12.5. Employability Enhancement Courses

- 12.5.1. The Industrial Training / Internship shall carry 100 marks and shall be evaluated through Continuous Assessment only. At the end of Industrial Training / Internship, the student shall submit an attendance certificate from the organization where he / she has undergone training and a brief report. The evaluation will be made based on this report and a viva-voce Examination, conducted internally by a three-member Departmental Committee constituted by the Head of the Institution consisting of the course coordinator and two experts from the Department. The certificates (issued by the organization) submitted by the students shall be attached to the mark list sent by the Head of the Institution to the Controller of Examinations.
- 12.5.2. Comprehensive Test and Viva Voce (MCQ-GATE & Panel Viva) Comprehensive Test to assess the overall knowledge of the candidate in various courses he / she studied shall be evaluated with multiple choice questions generally with pattern similar to GATE
- 12.5.3. For Communication Skills, Computing skills, Interpersonal & Employment Skill courses, the evaluation shall be done with 100% internal marks and as per the procedure approved by the Department concerned and Head of the Institution.
- 12.5.4. For all the courses under Employability Enhancement Courses Category, except the Project Work, the evaluation shall be done with 100% internal marks and as per the procedure described in clause 12.6.

12.6. Assessment for Two / Three Credit Employability Enhancement Skill Based Courses

The evaluation of the above mentioned courses are fully internal and shall be jointly done by the course coordinator from the institution and the mentor from the firm.

- (a) If the course involves certification from an identified firm/company, then 20% of the total marks will be included in the internal assessment marks, 30% will be included from the marks provided by the firm and 50% shall be evaluated by the respective Course Coordinators of the college by conducting appropriate theory and / or laboratory tests.
- (b) If there is no certification from the firm/company, then 50% will be included from the marks provided by the firm and 50% shall be evaluated by the respective Course Coordinators of the college by conducting appropriate theory and / or laboratory tests.

12.7. Assessment for Value-Added Courses

Assessments as mentioned below shall be conducted by the Department concerned and shall be evaluated through continuous assessment only. A committee consisting of the Head of the Department, Staff handling the course / Staff coordinator of the course and a senior faculty member nominated by the Head of the Institution shall do the evaluation process.

Evaluation Type	Maximum Marks
Test (s)	50
Viva / Quiz / Assignment	50
Total	100

The list of students along with the marks and the grades earned shall be forwarded to the Controller of Examinations for appropriate action at least one month before the commencement of End Semester Examinations.

The grades (**Excellent** (80 to 100 marks) / **Good** (60 to 79 marks) / **Satisfactory** (50 to 59 marks)) earned by the students for Value Added Courses will be recorded in the Grade Sheet however the same shall not be considered for the computation of CGPA.

12.8. Internal marks

Approved by the Head of the Institution shall be displayed by the respective HODs within 5 days from the last working day.

12.9. Attendance Record

Every teacher is required to maintain an 'Attendance and Assessment Record', which consists of attendance marked in each lecture or practical or project work class, the test marks and the record of class work (topic covered), separately for each course. This should be submitted to the Head of the Department periodically (at least three times in a semester) for checking the syllabus coverage and the records of test marks and attendance. The Head of the Department will put his / her signature and date after due verification. At the end of the semester, the record should be verified by the Head of the Institution who will keep this document in safe custody (for five years). The University or any inspection team appointed by the University may verify the records of attendance and assessment of both current and previous semesters.

12.10. Conduct of Academic Audit

The Institution shall strive for a better performance of the students by conducting the Continuous Assessments as mentioned in Clause 12. In order to ensure the above, Academic Audit is to be done for every course taught during the semester. For the Continuous Assessment s conducted for each course as per details provided in Clause 12, the academic records shall be maintained in the form of documentation for the individual assignments / case study report / report of mini project submitted by each student and assessment test question paper and answer script. Report of industrial training / internship shall also be maintained, if applicable. For laboratory courses students' record shall be maintained. Further, the attendance of all students shall be maintained as a record.

The Head of the Institution shall arrange to conduct the Academic Audit for every course in a semester by forming the respective committees with an external course expert as one of the members drawn from a Technical institution of repute near the institute. The University or any inspection team appointed by the University may verify the records of Academic Audit report of the courses of both current and previous semesters, as and when required.

13. REQUIREMENTS FOR APPEARING FOR END SEMESTER EXAMINATIONS

A student shall normally be permitted to appear for the University Examinations for all the courses registered in the current semester (vide clause 6) if he / she has satisfied the semester completion requirements (as per clause 7).

Further, examination registration by a student is mandatory for all the courses in the current semester and all arrear(s) course(s) for the End Semester examinations failing which, the student will not be permitted to move to the higher semester.

A student who has already appeared for any course in a semester and passed the examination is not entitled to reappear in the same subject for improvement of grades.

The candidates who need to reappear for the courses which have only continuous assessment shall enroll for the same in the subsequent semester (Communication skill courses, Computing skill courses, Interpersonal & Employment Skill courses, Comprehensive Test & Viva, Mandatory Courses and Internship / Training).

Gnananani College of Technology
NH-7, A.K.Samuthiram, Pachal Post
Namakkal Dist. - 637018. Tamilnadu

14. PASSING REQUIREMENTS

- 14.1.** A student who secures not less than 50% of total marks prescribed for the course [Continuous Assessment + End semester Examinations] with a minimum of 45% of the marks prescribed for the end-semester Examination, shall be declared to have passed the course and acquired the relevant number of credits. This is applicable for both theory and laboratory courses (including project work).
- 14.2.** If a student fails to secure a pass in a theory course / laboratory course, the student shall register and appear only for the end semester examination in the subsequent semester. In such case, the Continuous Assessment marks obtained by the student in the first appearance shall be retained and considered valid for all subsequent attempts till the student secures a pass. However, from the third attempt onwards if a student fails to obtain pass marks (IA + End Semester Examination) as per clause 14.1, then the student shall be declared to have passed the examination if he / she secures a minimum of 50% marks prescribed for the end semester examinations alone.
- 14.3.** If the course, in which the student has failed, is a Professional Elective or an Open Elective course, the student may be permitted to complete the same course. In such case, the Continuous Assessment marks obtained by the student in the first appearance shall be retained and considered valid for all subsequent attempts till the candidate secures a pass. However, from the third attempt onwards if a candidate fails to obtain pass marks (CA + End Semester Examination) as per clause 14.1, then the candidate shall be declared to have passed the examination if he / she secures a minimum of 50% marks prescribed for the end semester examinations alone.
- 14.4.** If a student has submitted the project report but absent in the end semester examination of project work, the student is deemed to be failed. In this case and also if a student attends and fails in the End semester examination of Project work of B.E. / B.Tech, he/she shall attend end semester examination again within 60 days from the date of declaration of the results. The subsequent viva-voce examination will be considered as reappearance with payment of exam fee. In case, the student fails in the subsequent viva-voce examination also, the student shall redo the course again, when offered next.
- 14.5.** The passing requirement for the courses which are assessed only through purely Continuous Assessment s (EC courses except Project Work and laboratory), is 50% of the Continuous Assessment marks only.
- 14.6.** A student can apply for revaluation of the student's semester examination answer paper in a theory course, as per the guidelines of the CoE on payment of a prescribed fee along with prescribed application to the CoE through the Head of the Institution. The CoE will arrange for the revaluation and the results will be intimated to the student concerned through the Head of the Institution. Revaluation is not permitted for laboratory course and EC courses.

15. AWARD OF LETTER GRADES

- 15.1.** The award of letter grades will be decided using relative grading principle for Theory / Theory Courses with Laboratory Component / Laboratory Courses with Theory Component /all EC courses except Laboratory Courses, Project Work Courses and Internship Courses. The relative grading is applicable to ONLY those students who have passed the examination as per the passing requirements.

For a given course, if the student's passed strength is greater than 30, the relative grading method shall be adopted. In all the courses, if the number of students who have passed the course is less than or equal to 30 then absolute grading shall be followed with the grade range as specified in the Table

For the Project Work, Internship and Laboratory Courses, absolute grading procedure shall be followed as given in the Table below irrespective of the number of students who have passed the course.

Grading shall be followed with the grade range as specified below for absolute grading

O	A+	A	B+	B	C	U
91 - 100	81 - 90	71 - 80	61 - 70	56 - 60	50 - 55	<50

The performance of a student will be reported using letter grades, each carrying certain points as detailed below:

Letter Grade		Grade Points*
O	(Outstanding)	10
A +	(Excellent)	9
A	(Very Good)	8
B +	(Good)	7
B	(Average)	6
C	(Satisfactory)	5
U	(Re-appearance)	0
UA	(Absent)	0
SA	(Shortage of Attendance)	0
WD	(Withdrawal)	0

A student is deemed to have passed and acquired the corresponding credits in a particular course if he / she obtains any one of the following grades: "O", "A+", "A", "B+", "B", "C".

'SA' denotes shortage of attendance (as per clause 7) and hence prevented from writing the end semester examinations. 'SA' will appear only in the result sheet.

"U" denotes that the student has failed to pass in that course. "UA" indicates that the student was absent for the examination in that course. "WD" denotes withdrawal from the exam for the particular course. The grades **U**, **UA** and **WD** will figure both in the Grade Sheet as well as in the Result Sheet. In all these cases, the student has to appear for the End Semester Examinations as per the Regulations.

If the grade **U** or **UA** is given to Theory Courses/Laboratory Courses/Theory cum Practical/Practical cum Theory Courses, it is not required to satisfy the attendance requirements (vide clause 7), but has to appear for the end semester examination and fulfil the norms specified in clause 14 to earn a pass in the respective courses.

If the grade **U** is given to Project work, the course has to be registered again in the subsequent semester.

If the grade **U** is given to **EC** course (except Project Work), which are evaluated only through Continuous Assessment, the student shall register for the course again in the subsequent semester, fulfil the norms as specified in clause 14 to earn pass in the course. However, attendance requirements need not be satisfied.

- 15.2. For the Co-curricular activities such as NSS / NSO / YRC / Science Club / Literary Club / Fine Arts Club, a 'completed' remark will appear in the Grade Sheet on successful completion of the same. Every student shall put in a minimum of 75% attendance in the training and attend the camp or events of the clubs compulsorily. The training and camp or club events shall be completed during the first year of the programme. However, for valid reasons, the Head of the Institution may permit a student to complete this requirement in the subsequent years. Successful completion of any one of the above co-curricular activities is compulsory for the award of degree.
- 15.3. The grades O, A+, A, B+, B, C obtained for the one / two credit course (not the part of curriculum) shall figure in the Grade Sheet under the title 'Value Added Courses / Industrial training'. The courses for which the grades obtained are U, SA will not figure in the Grade Sheet.
- 15.4. For the students who complete the Mandatory course satisfying attendance requirements, the title of the Mandatory course will be mentioned in the Grade Sheet.
- 15.5. **Grade Sheet**

After results are declared, Grade Sheets will be issued to each student which will contain the following details:

- (i) The Institution in which the student has studied

Principal

Gnanamani College of Technology
NH-7, A.K.Samuthiram, Pachal Post
Namakkal Dist. - 637018. Tamilnadu

- (ii) List of courses studied for Hons., minor and any other additional courses in which the student has passed with the grades under the title additional courses.
- (iii) The Grade Point Average (GPA) for the semester considering only the courses of curriculum (not the additional courses) and
- (iv) The Cumulative Grade Point Average (CGPA) of all courses enrolled from first semester onwards considering only the courses of curriculum (not the additional courses). However, for the students who have successfully completed the requirements of B.E. / B. Tech. (Hons) and B.E. / B.Tech. Minor vide Clause 4.11, grades scored in the six additional courses shall be taken into account for the computation of CGPA.

During each semester, the list of curricular courses (not the additional courses) registered and the grades scored in each course are used to compute the Grade Point Average (GPA). GPA is the ratio of the sum of the products of the number of credits of curricular courses (not the additional courses) registered and the grade points corresponding to the grades scored in those courses, taken for all the courses, to the sum of the number of credits of all the courses in the semester.

U grades will be excluded for calculating GPA and CGPA.

$$\text{GPA / CGPA} = \frac{\sum_{i=1}^n C_i \text{GP}_i}{\sum_{i=1}^n C_i}$$

Where **C_i** is the number of Credits assigned to the course
GP_i is the point corresponding to the grade obtained for each course
n is number of all courses successfully cleared during the particular semester in the case of GPA and during all the semesters in the case of CGPA.

- 15.5.1. If a student study more number of professional and open electives than required as per the student's programme curriculum, the calculation of final CGPA shall be as per 4.11.6 and 4.11.7.
- 15.5.2. If a student successfully completes all the requirements of the programme and also meets the requirements of B.E. / B. Tech. (Hons) or B.E. / B. Tech. Minor but desires not to opt for the additional qualification, then he/she has to submit a declaration with regard to the same 30 days before the completion of VIII semester.
- 15.5.3. In the consolidated grade sheet, the CGPA earned shall be converted into percentage of marks as follows:
Percentage of Marks = CGPA × 10.
- 15.5.4. UMIS number of the student

16. ELIGIBILITY FOR THE AWARD OF THE DEGREE

- 16.1** A student shall be declared to be eligible for the award of the B.E. / B.Tech. Degree provided the student has
- i. Successfully gained the required number of total credits as specified in the curriculum corresponding to the student's programme within the stipulated time.
